August 10, 2015

Dear Koloa School Ohana,

Our first week and a half of school went very smoothly. As soon as the first bell rang on the first day of school, teachers were teaching and students were learning. I was able to visit each classroom and saw students engaged in their learning and participating in learning activities.

Please if you have not done so already, please send all signed forms that have come home in the last 2 Monday Envelopes, back to school. – Thank you.

Our students and teachers are the beneficiaries of a very generous donation from the Poipu Rotary Club and Aloha Angels. Each classroom teacher was given funds to purchase classroom supplies and to pay for bus transportation for a field trip this school year. We appreciate the support that our Koloa Community provides for our school. You are your child(ren)'s first and most important teacher. Thank you for your support.

Our school enrollment has increased to the point where we are adding another Fourth Grade class. Please be patient with the transition, as we have to move furniture and personnel around to house that class.

Kumu Rachel is looking for donations of clean white sheets to make costumes and we will also need more kukui nut lei and shell lei to beef up our inventory.

Activities coming up are: Friday, August 21st, Poipu Rotary Club Movie Night at Poipu Beach – 4th grade will be selling food and drinks. Wednesday, September 2nd, Federal Survey cards go home.

If you have any questions or concerns, please do not hesitate to contact your child's teacher or me at 742-8460.

With warmest regards,

Linda Uyehara

Principal
