Koloa School PTA for overall help with organizing Pancake Breakfast

We also need to thank all of our community businesses that donated items and services for our silent auction. They will be acknowledged in our upcoming February newsletter.

Our first Student Council activity was to make a peace lei with every student and staff member's promise to show peace at the school. Students collected pledges written on colorful paper and a lei was made for each class. Each lei was strung together with staff members pledges and are now on display in our cafeteria. This peace lei is in honor of Dr. Martin Luther King, Jr.'s efforts toward world peace. Our Student Council will continue to plan and implement school-wide activities for the remainder of this school year.

The library is having a difficult time with unsupervised children right after school. The state library has a rule that "children must not be left unattended in the library or on its grounds." (8-201.1-10) Thank you for abiding by this library rule.

Thank you, once again, for being partners with Koloa School to help your children become the best that they can be.

Mahalo and Aloha,

Linda
