

November 9, 2015

Dear Koloa Ohana,

This is another jam packed week of activities here at school. Today, we have the Lions Club sponsored vision screening from 8:15 in the Humanities Room. I hope you signed up to have your child's vision checked.

Tuesday is picture make-ups, for students who missed taking their school picture for the yearbook. Our PTA meeting will be held Tuesday in the cafeteria at 5:30.

Wednesday is Veteran's Holiday, so please spend this time to remember our veterans, who continue to give so much to our community. We probably all know someone who has served in the military and we need to let them know how much we appreciate their services to our country.

Fresh fruit for the week is pineapple and will be served to students at morning recess. Grades 4/5 Tuesday, Grades 2/3 Wednesday and Preschool/K/1 on Friday.

As we get into the holiday season, try to keep to your regular daily schedule as much as possible for your child's sake. We want your children to continue to be healthy through these winter months. Regular school attendance is important for your child to continue to make excellent academic and behavioral progress.

This is a great time to talk to your children about your favorite memories of when you were growing up as a child. These stories can then be passed down to their children when they grow up. They will continue with your family's legacy.

Once again, thank you for sending us your very best every day. Your children are a true reflection of themselves and their families and we appreciate all of the efforts you put into raising your children.

Best wishes for a great week!

*Linda*
