Just a reminder, that on Wednesday, September 16, from 8:30-9:15, we will have our annual school evacuation drill. We will be stopping traffic along Poipu Road during that time in both directions, in order for our students to cross the road safely and to evacuate to the mortuary parking lot. Once we get to the mortuary parking lot, we will open the roads again to clear traffic. On our way back to school, we will close the roads off again in both directions so that our students may get back to school safely. We are sorry for any inconvenience this may cause you. Please plan accordingly. We will send reminders out via our website, over the radio and do an all-call phone call. We'd like to thank for mortuary for allowing us to use their parking lot for our drill.

Thank you all for helping us raise the best citizens that Koloa has to offer. Together, we can build a strong community.

With Warmest Regards,

Linda
