

September 1, 2015

Dear Koloa School Ohana,

It's hard to believe that August has come and gone. We've been in school for more than one month. Time is really going fast because we're having so much fun and learning a lot! We have been having longer weekends due to the state holiday, our professional collaboration day and now upcoming Labor Day.

Federal Survey cards go home on Wednesday, September 2nd. Please complete and return them on Thursday, September 3rd. We are shooting for 100% return rate. We appreciate your efforts in getting all of the required paperwork returned in a timely manner.

We have an upcoming School Community Council meeting on Tuesday, September 8 at 3:00 in the Humanities Room. You are invited to attend and participate in the school's governance system. We also have an upcoming English Language Learners parent night on Thursday, September 10 at 6:30 pm, also to be held in the humanities Room.

If you have ideas/suggestions on how we can decrease the amount of congestion during our morning and afternoon drop off and pick up times, please let me know either by calling me at 742-8460, seeing me in person or emailing me at Linda_Uyehara@notes.k12.hi.us.

We appreciate your partnership with Koloa School. We know you send us your very best when your child attends school. We are here to support your efforts to bring your child to his/her highest potential.

With Warmest Regards,

Linda Uyehara, Principal
